## PROFILE

I am Undergoing with a degree in Computer Science, I possess a strong foundation in programming languages such as Java, Python, and C. I have experience in developing applications and software solutions utilizing various programming paradigms and tools such as Object-Oriented Programming and Agile Methodologies. My academic projects and internships have sharpened my problem-solving skills and exposed me to different areas of Computer Science such as Data Structures, Algorithms, Database Management, and Web Development. I am a quick learner and a team player with excellent communication skills. I am seeking a challenging opportunity to apply my knowledge and skills to contribute to the success of a dynamic organization.
